Developments
as Result
of Talks

WASHINGTON (AP)—What did
President Eisenhower and Pre-
mier Nikita Khrushchev accom-
plish in their weekend Camp Da-
vid talks?

NEGOTIATIONS — They agreed
that problems should be settled by
peaceful negotiations rather than
by force.

DISARMAMENT — The two
agreed it is the most important
question facing the world today.

COLD WAR — Khrushchev said
he and Eisenhower found a great
deal in common "in our under-
standing of our positions and of
the need to improve relations be-
tween our two countries."

GERMAN REUNIFICATION —
Apparently no progress.

BERLIN—Some progress. They
agreed to reopen formal negotia-
tions—subject to the approval of
other countries concerned. This
could be at a sub-foreign minis-
ters level, at a foreign ministers
meeting or a summit conference.

EISENHOWER VISIT—The two
agreed that Eisenhower's visit to
the U.S.S.R., scheduled tentatively
for this fall, will be deferred
until spring.

U.S. - SOVIET EXCHANGES —
Substantial progress with respect
to an increase in exchanges of
persons and ideas. Certain agree-
ments expected soon.

SOVIET PAYMENTS — Agreed
to reopen negotiations on U. S.
claim of 800 million dollars
against the U.S.S.R., mostly for
lend-lease aid.

Weather Bureau at Little Rock is-
sued the following severe weather
warning Monday:

"A few severe thunderstorms
with large hail, damaging surface
winds and a few very isolated
hailstorms are expected in an area
along and 60 miles either side of a
line from 50 miles southwest of
Fort Smith, Ark., to 30 miles south
of Quincy, Ill., from 3 p.m. (CST)
to 10 p.m. Monday."

"This effects Arkansas north-
westward from a line through
Flippin to Memphis, including all or
part of Polk, Scott, Sebastian,
Crawford, Washington, Benton, Car-
roll, Boone, Marion, Madison, New-
ton, Johnson, Franklin and Logan
Counties."

Japanese government leaders
said a special budget allocation
will be made for rehabilitation
work. The damage extends over
58 of Japan's 47 prefectures.

National police said property
damage included some 20,000
homes totally destroyed, over
60,000 partly destroyed, and some
40,000 homes flooded.

Wound Fatal
to President
of U. S. Steel

HYANNIS, Mass. (AP)—Walter
P. Munford, president of the
strikebound U.S. Steel Corp., died
today at Cape Cod Hospital. He
was 59.

Munford suffered a stroke in the
hospital on Thursday, the day after
underwent abdominal surgery
for a knife wound. Authorities
said he suffered the wound acci-
dentally while carrying kitchen
utensils in his summer home at
Chatham.

Hospital authorities said there
was no connection between the
stab wound and the brain stroke—
termed a cerebral thrombosis.

This hospital said death was due
to complications following the
stroke.

Munford, a native of Worcester,
Mass., had been president of U.S.
Steel since May 5.

Steel Strike
Beginning
to Be Felt

WASHINGTON (AP) — Stalled
negotiations in the 76-day-old steel
strike presented a growing domestic
problem today for President
Eisenhower.

He and his advisers must decide
whether to try to get the broken-
off talks resumed, or to invoke
the Taft-Hartley law's emer-
gency provisions to end the strike
at least temporarily under an 80-
day court injunction.

Sens. Mike Mansfield (D-Mont.)
and John Sparkman (D-Ala.) called
on Eisenhower to take a personal
hand in getting the talks going
again.

They urged a series of White
House conferences with both sides,
and said they opposed use of the
injunctive procedure at this time.

But Eisenhower's closest advisers
in the matter were reported
ready to advise the President that
Taft-Hartley action should come
soon. They based that opinion on
the growing industrial effects of
the strike and a realization that
several weeks would be required
to resume full production even
when the strike ends.

They were known to doubt the
usefulness of prodding new nego-
tiating efforts in view of the dead-
lock that has continued since the
strike started on July 15.

Dynamite Is
Hid by Group
of Builders

LITTLE ROCK (AP)—A surveyor
found a hidden cache of 45
sticks of dynamite near the site
of a county road construction job
near Little Rock yesterday.

Doyle B. Rowland of Little
Rock discovered the explosives under
a brush pile.

State Police confiscated the dynamite
and started an investigation.

Workers on the job have been
blasting. It could not be determined
whether the dynamite was put
under the brush intentionally or
through negligence.

Dynamite was used in three
Labor Day bombings here.

Damaged were the Little Rock
School Board building, the busi-
ness office of Mayor Werner
Knopp and the city-owned station
wagon of Fire Chief Gannalley.

Five men, one a prominent seg-
regationist, were charged in the
bombings. One already has plead-
ed guilty and received a five-
year prison sentence. Trial of the
others will be held next month
and in November.

Town Cleans
Up Following
Tornado

LEPANTO, Ark. (AP) — The
clean-up job continues around Lep-
anto today after a tornado which
whirlwinded its way over a curv-
ing eight-mile path, leaving 15 per-
sons injured and property damage
estimated at more than \$150,000.

Hardest-hit Saturday night was
the West Ridge Community two
miles east of this northeast Arkan-
sas town. The savage wind splin-
tered or heavily damaged more
than two dozen houses, and inflit-
ed lesser damage to other struc-
tures. Lepanto Mayor J.H. Mills
said after an inspection of the
area.

A two-story farmhouse on the
E. O. Payne farm was torn apart,
and 11 of about 30 migrant Mexi-
can farm workers were reported
killed or injured. Two other Mexi-
can workers were hurt.

At another farm and further along
the storm's path, at the Wilton
Warren Jr. farm, Mrs. Warren
and her father, Charlie Baker,
were injured.

Only a few all Mexicans were
seriously hurt.

"There's a lot of cotton that's
ruined too," Mills said.

The tornado missed the town of
Lepanto, crowded with visitors,
and Mills said, "We feel very
fortunate."

Away from other persons at the
Warren farm escaped injury.

One of the Mexican workers suf-
fered a possible broken neck, two
had broken legs and several had
chest injuries.

## DOROTHY DIX

An Old, Old Story With a New Twist

Dear Dorothy Dix: My 20-year-old daughter has been dating Johnny for over a year. He says he can't marry her because his mother has a weak heart and doesn't want him to leave home, but if my daughter has an affair with him, and gets into trouble, they will have to get married. I am simply horrified at the idea of my daughter getting into such a plan and when I told my daughter all she said was, "Oh, Mom, you're making a big stew out of nothing." She still goes out with him but I don't know whether or not he has sold her on the scheme. What can I do? — Mrs. O.D.

Dear Mrs. O.D.: Johnny has a new twist to an old line. Your daughter must surely recognize it as such. If honorable marriage would hurt a mother with a weak heart, what would dishonorable pregnancy do? Nice logic if you can buy it. Johnny, of course, has no matrimonial intentions at all. Your daughter is old enough to recognize danger signals. All you can do is try to talk to her and be ready to pick up the pieces when the romance breaks.

Dear Dorothy Dix: Since George and I have been dating, quite a bit of trouble has come up between his ex-steadies and me. He still cares for his first steady, and his second one still cares for him. The first one is trying to prove that if she snaps her fingers, George will come running. I'm in the middle of her plans because I won't give him up.—In Between

Dear Girl: You could have quite a bit of fun with these situations if you don't take George too seriously. You really don't want a man who is available at the snap of another girl's fingers, but give him enough rope to see how far he'll swing. Who knows, in the end he may be a shottened, but battered, young man.

Dear Dorothy Dix: My gentleman friend and I both work in a large diner. We're practically engaged, but I don't have a ring, as yet. He doesn't act like an engaged man, either. When attractive women customers come in he flirts with them, and even teases, touches or stands close to them. I know he has to be nice to customers, but I tell him so much familiarity isn't necessary.—G.G.

Dear G. G.: It would take more

mistaken for a boy?—Lila Dear Lila: Give a look through the fashion pages and you'll see lots of girls, comfortably dressed, while still maintaining their femininity. If you have a naturally boyish look, switch to skirts, and let your hair grow. Don't for goodness sake, let the idea that you look like a boy become accepted by too many people. After all, you adore being a girl, don't you?

as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. ■ One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. ■ The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. ■ We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two kinds of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary compact car in the planning stages for more than nine years.

Thus, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a saved-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new

feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrills, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made.

The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a six-passenger compact car, with a really remarkable performance... a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and air cooled; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long... and that leaves a lot more room for passengers.

Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great struc-

tural strength... it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design independent suspension at every wheel; conventional springing would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's... take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

# Porkers Score 13 and Hang on for 2nd Victory

By WICK TEMPLE  
LITTLE ROCK (AP)—Picture a tough cowboy trying to climb a muddy hill, only to be kicked back by a determined Razorback hog.

That was exactly what happened Saturday night in the second half of Arkansas University's 13-7 victory over Oklahoma State's Cowboys.

Playing defensive football on a

muddy, rain-swept War Memorial Stadium gridiron, the Razorbacks punted the Cowboys deep into their own territory six times in the second half to preserve a first half lead.

The Cowboys almost reached the top of that muddy hill late in the fourth quarter, when, with the score 13-7 they drove 47 yards to the Arkansas 21. Arkansas half-back Jim Mooley recovered an OSU fumble to end the threat.

Said Coach Frank Broyles, "It was as proud of our team tonight as at any time during our comeback last year," the Arkansas coach said after the game. "It was a tremendous, determined effort by every player."

It was the talented toe of sophomore Lance Alworth that kept the Cowboys on a treadmill in the second half. His punting average was only 33.3 yards per boot, but some were intended to be short. Like the one from the State 33 late in the fourth quarter.

Alworth's 67-yard kick in the second period got the Razorbacks out of a bad hole. They were on their own one yard line after Wayne Harris had stopped an OSU drive with a fumble recovery.

The defensive story hinged on Alworth's punting and the two crucial fumble recoveries by Harris and Mooley.

The offensive yarn was woven by a 44-yard punt return by Alworth setting up the Hogs' second touchdown and the magnificent running of sophomore fullback Curtis Cox. Cox got 43 of 88 yards in the first touchdown drive, then scored from the two.

Sophomore (in eligibility) Darrell Williams got the Porkers' second score on a four-yard end sweep in the second quarter.

The complexion of the game changed from Arkansas' swift, sure offensive attack in the first half to the Porkers' hard-nosed, gutsy defense in the second half.

OSU scored its only touchdown on a 69-yard drive that ended in Tony Benfield crashing from the two. End Billy Dodson kicked the point. Freddy Adams kicked one of two placement tries for Arkansas.

Cowboy Coach Cliff Speegle was perturbed by his club. "We did okay after we got mad," Speegle said. "We're tired of giving the other team 13 points, then trying to catch up." That's what happened when Cincinnati beat the Porkers, 22-9, last week.

The Razorbacks have won two in a row and six straight over the past two seasons. Now they turn their brains and muscles toward getting ready for the conference opener Saturday with Texas Christian at Fayetteville. TCU was beaten Saturday by Louisiana State, 10-0.

OSU quarterback Dick Soergel was the talk of the Razorback dressing room Saturday night. "He handled a wet ball better than anybody I've ever seen," Broyles said. Soergel got 104 yards passing on nine completions of 18 passes.

"He handled himself like a pro," Broyles added.

Twelve OSU fumbles detracted from Soergel's performance. Broyles had high praise for Cox.

# Dodgers, Braves in Playoff for National Crown

By ED WILKS  
Associated Press Sports Writer

On the last Friday of the season, the Dodgers had a day off but gained a tie for the National League pennant. They kept it through Saturday and Sunday, although losing 4-0 to the Braves in the final game, and for the first time in major league history a playoff decided a pennant.

That was 1946. The Dodgers, then a Brooklyn bunch, lost the flag to the St. Louis Cardinals, who swept the first two games in the best-of-three playoff.

Five years later, on the last Friday of the season, the Dodgers dropped into a first-place tie with the idle Giants with a 4-3 loss at Philadelphia. Both won on Saturday, and again on Sunday, the final day, setting up the second pennant playoff in NL history.

That was 1951. And if you don't remember how the Dodgers lost that one, you're only seven years old.

Eight years later, on the last Friday of the season, the Dodgers won 5-4 in 11 innings at Chicago and took a one-game lead. Saturday the lead was a tie, after they lost 12-2 to the Cubs and Milwaukee's Braves beat Philadelphia 3-2. It stayed a tie Sunday, the final day, when the Dodgers beat the Phils 5-2.

So the Dodgers head into their third pennant playoff, and the NL's third, at Milwaukee today against the Braves.

The winner will get a day off before jumping into the World Series against Chicago's American League champion White Sox either Thursday or Friday at Chicago's Comiskey Park.

The Dodgers and Braves, either destined to win with the fewest victories (48) in NL history, junked any chance for an unprecedented three-way tie by winning Sunday. That killed San Francisco's Giants, who made it doubly sure by losing a doubleheader at St. Louis, 2-1 and 14-8.

In the American League, Chicago's champion White Sox wound up with a five-game margin, beating Detroit 6-4 while second place Cleveland lost to Kansas City, 6-5. Baltimore defeated Washington 2-1 and Boston 4-0.

Roger Craig (11-5) put it away for the Dodgers, winning his fifth in a row with a six-hitter and driving in a pair of second-inning runs with a single off Bob Anderson (12-13). Charlie Neal and John Roseboro made it a breeze with two-run homers.

Earl Averill homered for the Cubs' run in the fifth—their second hit off Craig.

The Braves, playing with the Los Angeles victory on the scoreboard, kept the deadlock with all their runs unearned. They beat Jim Owens (12-12) with the three runs in the seventh.

Two singles, an error, a walk, a passed ball and a balk by reliever Humberto Robinson, clinched it, giving the victory to Bob Bohl (15-9) after he had been tagged for a fifth inning home by Carl Sawatski, like Robinson an ex-Brave. Doubled home the other Phillie run in the ninth, off reliever Dan Mahan.

The Giants, beaten in the opener when the Cards scored two unearned runs in the eighth, lost seven of their last eight games—after leading by two with nine days to go.

Cincinnati tied Chicago for fifth place in the final standings, beating fourth place Pittsburgh 9-7 in the other NL game.

**Bill Fulbright Day Has Been Designated**

LITTLE ROCK (AP)—Three Greater Little Rock Young Business Men's Assn. has designated Oct. 5 as "Bill Fulbright Day" and Sen. J. William Fulbright will deliver a speech at a dinner honoring him. The chairman of the Senate Foreign Relations Committee was asked to discuss the effects of the U.S. visit by Russian Premier Nikita Khrushchev.

**5th Annual Meet of American Spas**

HOT SPRINGS, Ark. (AP)—The fifth annual meeting of the Paul Dudley White of Boston, famous held Oct. 7-9 at Marlins, Tex., according to Dr. Euclid M. Smith, association president.

"He did an exceptional job," the coach said. "It's always tough to move up to the first team as a sophomore."

# Plenty Action Final Day in American Play

By ED WILKS  
Associated Press Sports Writer

It's impossible to crowd a whole season into a single day, but the American League came close to doing just that, painting the picture in miniature in the final games of the year.

There was right-hander Bob Shaw, the big surprise who helped boost Chicago to its first pennant in 40 years, winning his 19th as the White Sox beat Detroit 6-4 Sunday.

There was Harmon Killebrew, the quiet kid who exploded the season's first home run opening day and made a run for the final homer of the campaign as Washington lost to Boston 6-2. It was Killebrew's 42nd, tying Cleveland's Rocky Colavito for the title in the AL and matching the Senator high set by Roy Sievers in '57.

There was Herb Score, the southpaw who slumped and took Cleveland's second-place Indians with him, losing his sixth in a row since July 3, when the Indians were first — as Kansas City beat the Tribe 6-5.

And there was New York's 3-1 loss to Baltimore, putting an end to the year the Yankees didn't win the pennant, a year in which they lost more and won fewer than any other Yankee club in 34 seasons. While the White Sox, who'll have to wait a bit longer for the World Series opener while Los Angeles and Milwaukee meet for the National League pennant, put away early for Shaw (18-6), the Tiger's Harvey Kuenn was 1-for-4 and won his first batting title with a .333 average.

Luis Aparicio added a couple of stolen bases for a total of 56, highest in the majors since Washington's George Case had 61 in 1943 and tying the White Sox record set by Wally Moses the same year.

With Killebrew's 42nd homer, the Senators hitting his 21st, the Senators pushed their club record to 163 — the old Mat high was 121 last year — but finished last for the third straight season. The Red Sox with Ted Williams knocking in two runs with a single and a double in what may have been his final game, finished fifth, a game ahead of Baltimore.

The Orioles, blanked on five hits by rookie John Gobler for 7-2-3 innings, put together five successive singles for all their runs in the eighth, leaving New York with a 7-9-7 record. The Yankees, who had won four straight flags, hadn't done so poorly since the 1925-26 seventh-place finish of 1925.

On the heels of the defeat, the club announced that Casey Stengel, who has won nine pennants in 11 tries with the Yankees, will complete his two-year contract, which ends after next season. But pitching coach Jim Turner, who's pitched a couple of years ago as Stengel's successor, was turned loose "with regard," was turned loose.

Milwaukee defeated Philadelphia 5-2 after Los Angeles whipped Chicago 7-1 to set up their tie and playoff in the National League. St. Louis drubbed San Francisco 12-1, 2-1 and 14-8 and Cincinnati defeated Pittsburgh 9-7.

# Star City Girl Is Forest Queen

She was selected Saturday. Other candidates were Sara Jo Pendley, 18, of Leslie, and May Gnell Fugitt, 19, of Murfreesboro.

# May Abolish State Confederate Home

LITTLE ROCK (AP)—A three-man legislative committee will study the Arkansas Confederate Home with an eye to abolishing it. The study was asked by state Rep. William L. Ward, who told the Joint Legislative Audit Committee Saturday there was no one at the Home with eligibility strong enough to justify its operation.
